Wholesale Price List

TO OUR FRIENDS AND CUSTOMERS

Viewed in one way flowers are not a necessity in these days when we feel that every energy must be turned toward winning the world war of Democracy. In fact but few things are actually needed merely to sustain life. To carry this war to a successful conclusion one thing we must have more than food, clothing, ships, and armament, and that is this spirit of the people. To sustain an invincible fighting spirit something of brightness must be provided to divert minds from the grim business of war. Millions of our people turn to flowers for inspiration and comfort as do other millions in France and England and our other Allied countries.

SATISFACTION

If you are not entirely satisfied with any plants bought from us, return them at once at our expense and we will refund your money, together with express charges.

TERMS

Our terms are 3% discount cash with order, 2% for cash in ten days, or thirty days net. Cash or satisfactory references must accompany orders from parties not known to us. If plants or seeds are wanted in a hurry, send cash if you are not known to us or there will be delay while we look up the references.

Express is the most satisfactory way of shipping plants. Carriage charges to be paid by the buyer.

Three plants at dozen rate, 25 at rate per hundred, and 250 at rate per 1000.

PACKING

All our plants are carefully packed in light weight boxes or packages. Usually we remove most of the dirt but use plenty of damp moss about the roots. We make no extra charge for boxes or labor of packing.

NON WARRANTY

We do not warrant in any way, express or implied, the contents or the description, quality, productiveness, or any other matter of any seeds, bulbs or plants sold by us, and we will not in any way be responsible for the crop. If the purchaser does not accept these goods on above terms, no sale is made thereof, and he must return them at once, and money will be refunded.—Wm. Toole & Son.
